

St. Matthew Fall Festival 2016

The Fall Festival is the major Parish fundraising event supporting all the ministries. It is also a wonderful time for the Parish to come together to celebrate our varied cultures, our rich history, and the many gifts we have been given. Following Easter, members of the Fall Festival committee, Fr. Hugo, and Dave Eitland, our Director of Development, have been reviewing the results and the comments from the last several years. In response to these, several major changes are being planned. We are returning to the title **Fall Festival**, are revamping the menu, and would like to create a new vision for the various activities of the festival. Those on the committee are excited about the possibilities but, in order to plan the **October 22-23, 2016** Festival, we need your input, your creative spirits, and your participation. Major planning meetings are open to all parishioners. Check the Parish website or bulletin for dates, time, and location.

Please take a moment to fill out this questionnaire.
